

## ***CEDAR HEDGE FERTILIZER 5-1-1***

---

### **Description**

- Good source of nitrogen (5 % N) for a green foliage
- Help plant growth
- No contains synthetic fertilizer

### **Instruction**

Apply in spring, during the plant growing season.

Step 1: Shake the product well before use.

For application with a watering can:

Step 2: Dilute 0.5 L of the product in 5 L of water and water the base of hedges.

Step 3: The solution covers 50 linear feet of hedge (4.6 m<sup>2</sup> or 50 sq.ft.); repeat steps as needed.

For application with a sprayer:

Step 2: Fix the sprayer onto the container and the water hose.

Step 3: Open the sprayer valve and spray the base of hedges.

A container of 1 litter covers 100 feet of hedge (9.3 m<sup>2</sup>).

The Cedar Hedge Fertilizer 5-1-1 should be used as a complement to a complete fertilization program established according to the fertility level of the soil or substrate.

Store in a cool place, away from direct sunlight.

Keep out of reach of children.

### **Ingredient**
