

TOMATO AND VEGETABLE 0.1-0.04-6.5

Description

- Fertilizer of plant origin
- Made from brown seaweeds
- Ideal for tomatoes and vegetables
- Excellent source of potassium (6,5 % K)
- No contains synthetic fertilizer

Instructions

Apply each month during the plant growing season.

Step 1 > Shake the product well before use.

Step 2 > Dilute 50 ml of the product in 3 L of water.

Step 3 > Spray the base of plants with the solution. 3 L of solution covers 6 plants or 1.1 m² (12 sq.ft.)

A container of 200 ml makes 4 applications of 3 L of solution.

For best results, use this product with Bioprotec Tomato and Vegetable Fertilizer with calcium 5-4-0 - 10 Ca.

Tomato and vegetable Fertilizer 0.1-0.04-6.5 is made from brown seaweeds (*Ascophyllum nodosum* or *Laminaria longicuris*). This fertilizer provides an excellent source of potassium for all your vegetable plants.

Store in a cool place, away from direct sunlight.

Keep out of reach of children
